

## Mark Sheet

## Project Proposal

## COMP6733 IoT Design Studio

<b>Student Name:</b>			<b>Student Number:</b>			<b>Supervisor:</b>		
<b>Grade Band</b>	<b>Topic Definition (20%)</b>		<b>Background (30%)</b>		<b>Project Plan (25%)</b>		<b>Presentation (25%)</b>	
<b>Excellent (85-100%)</b>	There is no doubt about the intended coverage and contribution of the project. Includes a project outline and clear statement of purpose. Substantial evidence of initiative.	20	Demonstrated mastery of the material in the topic area. Judicious selection of source material. Most helpful in understanding the rest of the document.	30	A well justified, comprehensive and feasible list of milestones (with resources and duration) and a complete and accurate risk assessment. Strong evidence of initiative and self-reliance.	25	Excellent structure, so a pleasure to read. Neat, professional presentation. A correctly formatted bibliography appropriately referenced. No spelling grammar or punctuation errors.	25

		18		26		22		
<b>Very Good (75-84%)</b>	Clear intended coverage and contribution of the project. Clear outline and statement of purpose. Some evidence of initiative.	17	Mastery of the material in the topic area. Aids in understanding the rest of the document.	25	A justified, comprehensive and feasible list of milestones (with resources and duration) and a mostly-complete risk assessment. Evidence of initiative and self-reliance.	21	Has good structure which helps comprehension. The presentation is neat and professional. A bibliography with occasional errors or inappropriate referencing. Insignificant spelling, grammar or punctuation errors.	21
		16		23		19		
<b>Good (65-74%)</b>	Shows intended coverage and contribution of the project. Includes outline and statement of purpose.	15	Covers most of the material in the topic area and demonstrates some understanding. Aids in understanding rest of the document.	22	A somewhat justified list of tasks with resources and duration is presented. An appropriate risk assessment is included.	18	A bibliography with occasional errors or inappropriate referencing. Insignificant spelling, grammar or punctuation errors.	18
		14		20		17		
<b>Satisfactory (50-64%)</b>	Shows some intended coverage and contribution of the project. Partial project outline and statement of purpose.	13	Covers some of the material in the topic area and demonstrates some understanding. Some aid in understanding rest of the document.	19	A somewhat justified list of tasks with resources and duration. A risk assessment is included.	16	May be poorly structured in places, but still able to be understood. Presentation is neat but minor errors are present.	16
		12		17		14		
		11		15		13		
<b>Poor (25-49%)</b>	Little indication of intended coverage and contribution of the project. Poor attempt at project outline and statement of purpose.	10	Incomplete coverage of the material in the topic area. Shows limited understanding of the material in the topic area. Little help in comprehending the rest of the document.	14	A weakly justified, partial list of milestones. No risk assessment included.	12	Lacking in structure, and becomes hard to understand. Presentation is untidy. The bibliography has many formatting errors, with poor referencing style.	12
